

Release of Liability

On behalf of myself and my child, and in consideration of permission to have my child accompany me on my daily tasks during the program “Take Your Child To Work Day”, I do hereby release the Board of Regents of the University of Wisconsin System, its officers, employees and agents, from any and all liability for damage to or loss of personal property, sickness and injury from whatever source, legal entanglements, imprisonment, death, loss of money, etc., which might occur as a result of my child’s accompanying me as I perform my tasks. I understand that there may be aspects of my duties which may present a dangerous environment for a child – in such cases, my child will perform only as a shadow and will not be involved in any tasks which involve the use of power tools, mechanical equipment, and chemicals or other toxic substances of any kind, animal handling, and/or other activities which my department deems inappropriate. Any minor tasks performed should be done so only with the direct approval of my supervisor and with appropriate guidance and supervision. I understand that our (myself and my child) involvement in this program is strictly voluntary and we freely choose to participate. My child agrees to conduct him/herself in a safe and appropriate manner, at all times. As the parent, I acknowledge that the University does not provide any kind of medical coverage, should he/she be injured as a result of this participation and I understand that any medical expenses resulting from accidents and illnesses, which could occur on site, are my responsibility and that the University has no medical coverage which could extend to my child. I also agree that the responsibility for my child’s safety is my own.
