# College of Agricultural and Life Sciences

**Departments**

|                                  |                             |
|----------------------------------|-----------------------------|
| Agricultural & Applied Economics | Forest & Wildlife Ecology   |
| Agricultural Research Stations   | Genetics                    |
| Agronomy                         | Horticulture                |
| Animal Sciences                  | Landscape Architecture      |
| Bacteriology                     | Life Sciences Communication |
| Biochemistry                     | Nutritional Sciences        |
| Biological Systems Engineering   | Plant Pathology             |
| Dairy Science                    | Rural Sociology             |
| Entomology                       | Soil Science                |
| Food Science                     | Urban & Regional Planning   |

**Centers/Institutes**

Babcock Institute  
 Center for Biology Education  
 Center for Community Economic Development  
 Center for Dairy Profitability  
 Center for Dairy Research  
 Environmental Resources Center  
 Food Research Institute  
 Great Lakes Bioenergy Research Center  
 Center for Integrated Agricultural Systems  
 Land Information & Computer Graphics Facility  
 Muscle Biology Institute  
 Renk Agribusiness Institute  
 U.S. Dairy Forage Research Center  
 UW Center for Cooperatives  
 Wisconsin Center for Prevention of Obesity and Diabetes (proposed)  
 Wisconsin Institute for Sustainable Agriculture

**Programs**

|   |                                   |
|---|-----------------------------------|
| Agricultural Safety & Health  | Grad. Prog. In Nutritional Sci.   |
| Agricultural Technology Studies   | Integrated Pest Management        |
| Agroecology   | Midwest Poultry Consortium        |
| Applied Population Laboratory   | Nutrient and Pest Management      |
| Aquaculture   | Pesticide Applicator Training     |
| Biology   | Plant Breeding & Plant Genetics   |
| Biological & Biomaterials Preparation, Imaging & Characterization Laboratory—Microscopy | Wisconsin Bioenergy Initiative    |
| Biometry Program/Stats Consulting   | Wisconsin Fast Plants             |
| Development Studies Ph.D. Program   | Wisconsin Food System Partnership |

**CALS Committees**

Governance Committees  
 Academic Planning Council  
 Academic Staff Issues

Standing Committees  
 Academic Staff Recognition Awards  
 Classified Recognition Awards  
 Equity and Diversity  
 Facilities Planning  
 General Awards  
 Honorary Recognition

Research Division  
 Agricultural Research Station  
 Biometry  
 CALS Institutional Animal Care & Use  
 Research Advisory

International Programs  
 International (shared w/Undergraduate Programs & Services)

Undergraduate Progs. & Svcs.  
 Council on Teaching & Learning  
 Curriculum  
 Farm & Industry Short Course  
 Honors Degree and Undergraduate Research Program  
 International (shared w/Intl. Progs.)  
 Leadership Program  
 Library  
 Scholastic Policies and Actions  
 Student Development

Other Committees  
 Board of Visitors  
 Department Chairs  
 WALSAA Board  
 Strategic International Engagement

**Dean and Director  
(fte 1.0)  
Jahn**

**Vice Dean  
(fte .45)  
Goldman**

**Directors of Special Programs**
