

AGRONOMY

B.S.-International Agriculture and Natural Resources (AIN 054)

Four Year Road Map

- This Road Map is a tool to assist you and your advisor in planning your academic career. Use it along with the Curriculum Sheet for your major, your DARS report, and the Timetable. Your specific program of study could, and probably will, look different. You need to customize the Road Map to fit your situation, and consult with your advisor about the best path for you.

Fall Semester

Spring Semester

Year 1

	Credits		Credits
Agronomy 100	5	Botany 130	5
