Summer Session

- * China (December 1)
- * Denmark (March 1, Oct. 1)
- * France (March 1)
- * Mexico (April 1)

Academics

Help students to plan for a study abroad experience by:

- * Reviewing with students possible courses they might take while abroad.
- * Directing them to the CALS Study Abroad Guide (www.cals.wisc.edu/studyabroad/students).
- * Advising them to save humanities, social science, and elective requirements for their semester abroad.
- * Informing students that they need to check for **Course Equivalencies** before they leave campus. Students should see Susan Gisler in Undergraduate Programs and Services in 116 Agriculture Hall for a complete list of pre-established course equivalencies for their study abroad site.
- * Reminding students to save all documents, homework, and papers from courses taken abroad in order to petition for a course equivalency if a course equivalency has not already been established.

Funding

Financial Aid—Students who qualify for Federal Financial Aid can use their awards towards a semester abroad. Since such grants/loans are decided on an individual basis, students should contact or visit the Office of Student Financial Services for more information. Call 262-3060 or visit <http://www.finaid.wisc.edu/> or stop in at 333 East Campus Mall #9701, Madison, WI 53715.

Scholarships—Scholarships are available from the CALS Study Abroad Office: Students should stop in at 116 Agriculture Hall for more information. For a complete list of other CALS scholarships (which *might* be used toward study abroad), visit the CALS financing website at <http://www.cals.wisc.edu/students/financing/> and click on Scholarships within CALS.
